A Man Railroaded for Inconveniencing Hospital Doctors.

He Was Scalded Friends Called an Ambulance Three Times.

Then Boyle Was Arrested on a Charge of Disorderly Conduct.

Sent to the Workhouse for Two Months from Essex Market Court.

isn't This Neglectful on Your Part, Justice Duffy ?

Whatever the Gouverneur Hospital authorities may think is due to a regard for their convenience and red tape regulations, the public, which reads the following account of an inexcusable outrage, will join with "The Evening World" in earnest protest against the railroading of a scalded man to prison, and that the wheels of Police Court injustice should be turned back and poor Boyle be released at once from his unmerited and outrageous imprison-

Tranquility Is Restored in the Argentine Republic.

The Resignation of President Celman Announced.

Vice-President Pelligrini Succeeds Him, Under the Constitution.

TO CARLE TO THE PRESS NEWS ASSOCIATED Buryon Ayres, July 29, Tranquility has been completely restored.

Juarez Celman has resigned as President of the Republic. Vice-President Pellegrini has succeeded to the Presidency in accordance with the

constitution. LONDON, July 29 .- The regular Government of President Celman would appear to have gained the upper hand again at

Buenes Ayres. A despatch from Senor Garcia, Minister of Finance, to the Argentine Muister in London, has just been received, and SAVS:

'The revolt has been subdued. "President Celman has returned to the city and with the members of his Cabinet occupies the Government House, where they are giving orders." Senor Garcia was imprisoned at the

beginning of the revoit, but has been liberated. Paris, July 29 .- A cable despatch from arrangements are being made for the fornation of a peace Cabinet, and it is probable that the negotiations to that end,

which is in the nature of a compromise,

will be successful. It is remarked here, though it may have no significance, that Gen. Mitre, formerly President of the Argentine Republic, who has been residing here for rived at, some time, has suddenly taken his de-

It was asserted in last night's despatches that the cause of the Civicas had weakened and that the revolutionists were ne otiating for a surrender.

These assertions were, however, disputed, and it was claimed the triumph of the insurgents was complete. The Government, it would now appear

nust have taken advantage of the armis tice which the rebels granted yesterday o assemble troops at the principal scene of the revoit and face the rebels with all the available forces.
